Beaty's Homeroom	12:20
Jones' Homeroom	12:25
Koch's Homeroom	12:30
Yates' Homeroom	12:35

Sumner County Schools  
Lunchroom Visitors:

**“Because of the difficulty in supervising visitors during lunch periods and the exceedingly short lunch periods for many students, visitors during lunch are limited to family members or approved family friends only (approved by the family).”**

As a community partner and as a way to maintain parental involvement, please see the building administrator to see how you can still visit a student during school hours.

## MEDIA CENTER

Our media center houses materials for students and teachers to utilize in order to enhance, enrich, and supplement instruction and learning. Students visit the media once per week. They enjoy book exchanges, storytelling, book sharing, library skills and standards instruction, and independent reading time. Books that are checked out by a student are the responsibility of the student. Please take time to read with your child or know the genres of books that your child enjoys reading. Students may check out one book at a time. Our media center books are purchased with funds from our annual book fair. Our library opens each morning at 7:30 a.m. for open checkout.
